David didn't specify; I assume before the next invoices go out at the end of the month. I'll let you know if he mentions he needs them sooner.

Sarah ran his timesheets for the last 18 months. I will have to go through all of it and highlight anything that says F+R. It may take a while. When is this needed by?

Alex,

Yesterday David suggested you can go back through his time sheets and determine how much time he spent dealing with Frener + Reifer issues which he wants to track retroactively as an add service. (It could go as far back as 18 months and his hours may have been logged in as F+R) Please let me know if you can do that.

Thanks,
